ECRB 2026 NSA AGM Report

Submitted by Chuck Bennett

This committee really began its work in late 2025 and continues to be active today. It is a responsive mechanism and only responds or activates once a complaint is received.

It operates at arms length from the NSA board and association.

Currently we have a committee of 14 members and two co-chairs.

Co-Chairs are
Chuck Bennett
Kelly Mieske

2025: There were four files opened by the ECRB, which included one appeal.

2026: To date we have had three files opened, which included one appeal.
