NSA RECREATIONAL COACH MENTORSHIP

Coach Mentorship Program Timeline

January–April • Proposed program plan

FREE • 10–15 volunteer coaches • 8-week core mentorship

Build confidence with Technical Director guidance and practical coaching experience, ready for the outdoor season.

JANUARY — Welcome and planning

Welcome meeting, coaching goals and a self-assessment.
Agree mentoring expectations and observation opportunities.
Create an individual NCCP qualification plan.

FEBRUARY — Workshops and first coaching practice

WEEKS 1–4

Explore fun, inclusion, session planning and engagement.
Observe an NSA session and discuss what works.
Plan and lead an activity with Technical Director feedback.

MARCH — Mentored sessions and development

WEEKS 5–8

Explore player development, confidence and creativity.
Observe NSA or KUFA coaching, then lead your own session.
Review feedback, NCCP progress and your outdoor session plan.

APRIL — Outdoor-season preparation

Finalize session plans and discuss team needs and readiness.
Arrange an early outdoor-session check-in with your mentor.
